PURPOSE

The purpose of the Student Dress Code is to outline Tyers Primary School's requirements for student dress and appearance and to provide information about uniform purchase and support, dress code implementation and exemption processes.

This dress code has been developed by Tyers Primary School's School Council in close consultation with our school community to ensure that it respects the rights of individual students whilst reflecting the values and interests of our community.

The Student Dress Code aims to:

- foster a sense of community and belonging and encourages students to develop pride in their appearance
- support Tyers Primary School's commitment to ensuring that our students feel equal and are dressed safely and appropriately for school activities
- reduce student competition on the basis of clothing
- enhance the profile and identity of the school and its students within the wider community.

The School Council has considered affordability in the development of this dress code. However, if you are facing difficulty meeting uniform costs the [Help with school costs and fees](#) page provides advice on support offered by the Victorian Government. If your child is starting prep or year 7 and is eligible to receive support via the [Camps, Sports and Excursions Fund](#), you may be eligible to access the Affordable School Uniform (ASU) program.

Please contact the principal or assistant principal to discuss support that we may be able to provide.

IMPLEMENTATION

Tyers Primary School will ensure that this Student Dress Code is communicated to all families and students through our website and normal communication channels such as uEducateUs, Compass, Newsletter etc. We will assist students who may be experiencing difficulties complying with this policy where possible.

If a student is out of school uniform or otherwise breaches the Student Dress Code on a recurring basis, a note will be provided to the student and parents by the classroom teacher. If non-compliance with the

dress code becomes a continued occurrence, the Principal will be informed and a phone call home may be required. In this event, the school will continue to work with the student and family to support compliance.

Measures taken by Tyers Primary School to address concerns about student non-compliance with the Student Dress Code will also be addressed in accordance with our Student Wellbeing and Engagement Policy.

EXEMPTIONS TO STUDENT DRESS CODE

We acknowledge that there might be instances where the enforcement of this dress code could impact students differently.

Students and their parents or carers may apply either in writing or in person to the Principal for an exemption to this Student Dress Code if:

- an aspect of this code prevents the student from complying with a requirement of their religious, ethnic or cultural beliefs or background
- the student has a particular disability or health condition that requires a departure from the dress code
- the student or their parents/carers can demonstrate particular financial hardship that prevents them from complying with the dress code.

When the Principal receives a request for an exemption, they will:

- consider the grounds for the exemption request
- explain the process to the student and/or their parents/carers
- encourage the student and/or their parents/carers to support their application with evidence.

The Principal or delegate will then try to negotiate a resolution that is acceptable to all parties. If an exemption is not allowed, then written reasons will be provided to the student and/or their parents or carers.
